Total Acid: 5.3 g/L

pH: 3.44

RS: 0.44 %

Sulfur level at packaging: 27 ppm Free SO₂; 90 ppm Total

Vineyard Details: These grapes were grown by Mary Fetzer in the heart of “organically grown” Chardonnay country. This 210 acre property on the east side of the Russian River has been farmed organically for 20 years and regular composting has strengthened the rich, loamy soils so that they deliver sound, healthy fruit with good uniformity of ripeness.

Wine Characteristics: Complexity and intensity define this Chardonnay. The nose is full of citrus, green apple and pear with floral overtones. The flavors are rich on entry with lively fruit in the mid palate and a long fruity, warm finish.
